HOLE PARK

CHRISTMAS TREES 2020

We have pleasure in sending you our price list for the 2020 season

Hole Park has been growing Christmas trees for over 60 years and with that length of experience we like to think we know what we are doing. We are widely recognised for our consistent good quality and excellent service, offering you trees fresh from our plantations on the day you request to your specific requirements.

We are pleased to offer a wide range of trees and, however large or small your order is, it is important to us and we would welcome the opportunity to discuss it to ensure you get the most appropriate trees.

British Grown Trees
From our plantations in Kent

Our trees are offered in simple imperial measure of good old feet and inches. I have yet to be asked by a retail customer for a 210cm tree when they mean a 7ft! A tree sold as 5ft will fall between 5ft and 6ft, thus the average for the band should be 5ft 6in.

Additional orders to top up your initial collection or delivery may be placed at any time up until Christmas, subject to availability, and that is part of the level of service we offer: the flexibility to have additional fresh trees.

For many customers, collection is the best way to ensure you get the trees you want. Alternatively, we offer free delivery in the local area.

Our terms and conditions are shown overleaf.

We operate a no quibble guarantee

Any tree found to be below your expectation will be replaced or otherwise credited to your satisfaction, provided you notify us as soon as you are aware of the problem, not on Christmas Eve!

We are a member of the **British Christmas Tree Growers Association** and operate to their exacting standards.

We would be delighted to show you the plantations this autumn. Please make an appointment to visit and either I or foreman David Purnell will be pleased to show you around.

You may find this beneficial in deciding just what to order this year.

Whether you wish to come and see us, make an enquiry or place an order, we look forward to hearing from you.
