

HOLE PARK ESTATE CHRISTMAS TREES 2018

We have pleasure in sending you our price list for the 2018 season. The prices are generally held for the fifth year in succession.

Hole Park has been growing Christmas trees for over 60 years and with that length of experience we like to think we know what we are doing. We are widely recognised for our consistent good quality and excellent service, offering you trees fresh from our plantations on the day you request to your specific requirements. We are pleased to offer a wide range of trees, and however large or small your order is, it is important to us and we would welcome the opportunity to discuss it to ensure you get the most appropriate trees.

We operate a no quibble guarantee.

Any tree found to be below your expectation will be replaced or otherwise credited to your satisfaction, provided you notify us as soon as you are aware of the problem, not on Christmas Eve!

We are a member of the **British Christmas Tree Growers Association** and operate to their exacting standards.

Hole Park Estate is proud to be **Produced in Kent's** only registered Christmas Tree grower.

Once again, our trees are offered in simple imperial measures of good old feet and inches. I have yet to be asked by a retail customer for a 210cm tree when they mean a 7ft! A tree sold as 5ft will fall between 5ft and 6ft, thus the average for the band should be 5ft 6in.

Additional orders to top up your initial collection or delivery may be placed at any time up until Christmas, subject to availability, and that is part of the level of service we offer; the flexibility to have additional fresh trees.

For many customers, collection is the best way to ensure you get the trees you want. Alternatively, we offer free delivery in the local area.

Our terms and conditions are shown overleaf.

We would be delighted to show you the plantations this autumn. Please make an appointment to visit and either I or foreman David Purnell will be pleased to show you round.

You may find this beneficial in deciding just what to order this year. Whether you wish to come and see us, make an enquiry or place an order, we look forward to hearing from you.

Orders: Orders must be made in writing. You may use the form provided or send your order by email. No order will be accepted until confirmed by the Estate who will return a confirmation of order. Every effort will be made to supply quantities and sizes requested but when that is not possible, the best available will be indicated on the order returned. Please remember to state your preferred date for collection or delivery. Please consider delaying some trees to ensure you have fresh stock as the season progresses.

Amendments to your order and special requests: Please contact us with any particular requirements at any time prior to despatch and we will do our best to assist. We will be pleased to discuss additional trees in the last weeks before Christmas, subject to availability.

Measurement: Trees are measured from the butt to the tip of the tree, top height measure. The leader height will be in proportion to the tree. All trees are banded in imperial graduations as appropriate to size. Please see attached table. Potted trees measure the top height stated from the root collar/soil level and exclude the height of the pot.

Containerised Trees: Containerised trees are potted for convenience only, in 10 and 12 litre red pots, and should not be sold as a living product. Please note that all trees are cut unless otherwise stated.

Labels: Each tree is marked with a new style Hole Park Estate label. Additional standard labels with care instructions will be provided to retailers free with each tree if required.

Delivery: All trees are sold ex farm. Delivery will be free within a 10-mile radius. A distance of up to 30 miles will be charged at £30 and up to 50 miles charged at £50, but does not include within the M25.

Other deliveries are by arrangement and larger deliveries will incur a haulier charge at cost.

Late payment: We reserve the right to claim statutory interest at 8% above the Bank of England reference rate in force on the date the debt becomes overdue and at any subsequent rate where the reference rate changes and the debt remains unpaid in accordance with the Late Payment of Commercial Debts (Interest) Act 1998 as amended and supplemented by the Late Payment of Commercial Debts Regulations 2002.

Undertaking: We will replace any tree found to be unsatisfactory if notified within 48 hours of delivery, by email, with an accompanying photograph.
